What is FootGolf?

- FootGolf is a precision sport, combining soccer and golf
- The rules are very similar to those of golf with bunkers, hazards and golf course characteristics that help increase the challenge of the game
- The standard apparel is golf attire, with running shoes or indoor or turf soccer cleats

How do you play FootGolf?

- Tee times can be booked to play 9 or 18 holes of FootGolf either in front of or behind those playing 9 or 18 holes of traditional golf
- When played in groups of four, 9 holes of FootGolf should take about 1 hour 30 minutes and 18 holes of FootGolf should take about 2 hours 30 minutes
