THE GREATEST GREEN EVER PLAYED!

The Greatest Green Ever Played pays homage to the famed U.S. Open success of the amateur Francis Ouimet in 1913, as documented by Walt Disney Pictures in the award-winning movie, The Greatest Game Ever Played. (2005)

RECOMMENDED FORMATS OF PLAY

- Individual - Each competitor plays as an individual.
- Foursome/Alternate Shot - Two competitors play as partners and play only one ball.
- Four Ball/Best Ball - Two competitors play as partners each playing their own ball. The lower score of the partners is the team score for the hole.

SCORING METHODS

- Stroke Play - Calculate the total strokes used to play all 18 holes.
- Match Play - When a player, or team, earns a point for each hole in which they have bested their opponent(s).
