#### Michael Schlager, PGA

Director of Instruction

Michael served as a Senior Instructor and the Director of Short Game School at the Academy of Golf at PGA National Resort and Spa in Palm Beach Gardens, Florida.

During his tenure, he not only had the opportunity to work with thousands of golfers, he was also exposed to a teaching philosophy unlike any other in the golfing world. Furthermore, he was encouraged to continue the search for more efficient ways to educate and train golfers.

His passion for the game led him to Broomfield, CO, where he experienced results with his students thought to be unattainable. Michael returned to the east coast to take the position of Director of Instruction at **Walt Disney World® Golf**, and now leads a team of qualified PGA golf instructors.

Michael's primary goal is to raise his students' level of enjoyment through game improvement. His innovative teaching style is unique in the industry, and the results are immediate and maintainable.

### Optional Service Enhancement - Staff

(Recommended for multiple vehicles and/or larger tournaments) Mears Transportation Group Staff arrive prior to the vehicles' arrivals.
